

COVID-19

General Prevention

Florida Department of Health • FloridaHealth.gov • tinyurl.com/FLcdcprevention

Protect yourself from all infectious diseases by using these precautions.

Stay home when you are sick

Avoid contact with people who are sick

Get adequate sleep and eat well-balanced meals

Wash hands often with soap and water – 20 seconds or longer

Dry hands with a clean towel or air dry your hands

Avoid touching your eyes, nose, or mouth with unwashed hands or after touching surfaces

Cover your mouth with a tissue or sleeve when coughing or sneezing

Clean and disinfect “high touch” surfaces often

Call before visiting your doctor

Clean all “high-touch” surfaces every day.

High touch surfaces include counters, tabletops, doorknobs, bathroom fixtures, toilets, phones, keyboards, tables, and bedside tables. Also, clean any surfaces that may have blood, stool, or body fluids on them. Use a household cleaning spray or wipe according to the label instructions. Labels contain instructions for safe and effective use of the cleaning product including precautions you should take when applying the product, such as wearing gloves and making sure you have good ventilation during use of the product.

Social Distancing for Infectious Disease

Florida Department of Health • FloridaHealth.gov

Social distancing measures are taken to restrict when and where people can gather to stop or slow the spread of infectious diseases. Social distancing measures include limiting large groups of people coming together, closing buildings and canceling events.

Protect yourself and your community.

Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If you don't have soap and water, use an alcohol-based hand sanitizer with at least 60% alcohol. Avoid close contact with people who are sick, and stay home when you're sick.

Change your daily habits.

Avoid shopping at peak hours and take advantage of delivery or pick-up services with retailers.

Work with your employer.

Cooperate with leadership to change company practices, set up flexible shift plans, have employees telecommute, and cancel any large meetings or conferences.

Look for communications from universities and colleges:

Regarding suspending classes, going to web-based learning and canceling all large campus meetings and gatherings.

Stay within six feet of other people.

Avoid shaking hands as a social greeting.

Avoid public transit if possible.

Don't travel to areas with active outbreaks.

Avoid crowded places.

Sporting events, community festivals, and concerts
